## **Security Behind The Firewall Is Our Business**

### **Insider Threat Defense Background / Experience**

**What makes Insider Threat Defense the "Leader-Go To Company" for Insider Threat Program Development Training **TM** and Insider Threat Risk Mitigation Services?**

Experience, Past Performance, Comprehensive, Commitment, Research, Collaboration, Awards.

### **Overview - Background Of Insider Threat Defense**

- Mr. Henderson is the CEO Of Insider Threat Defense and Top Secret Protection, Inc. with over 15 years of hands-on experience in the development, implementation and management of complex Enterprise Cyber Security-Information Systems Security Programs, Information Assurance Risk Management Programs and Counterespionage-Insider Threat Programs for the Department of Defense (DoD), National Level Intelligence Centers, U.S. Government Agencies, State Governments, large and small businesses. ([Bio](#))
- Insider Threat Defense is an established and recognized leader in Threat Program Development Training and Insider Threat Risk Mitigation Services, with proven experience and past performance, that our competition **can't match**.
- Insider Threat Defense was one of the **first** companies to offer Insider Threat Program Development Training (National Insider Threat Policy / NISPOM Conforming Change 2) to the U.S. Government (DoD, IC) and Defense Industrial Base contractors, helping them understand and implement Insider Threat Program requirements.

### **Providing Consulting To DoD For Insider Threat Program Development**

- Mr. Henderson previously worked for the DoD Insider Threat Counterintelligence Group (ITCIG) (Contractor), as an Insider Threat Security Analyst. The mission of the ITCIG was to help the DoD design an Insider Threat Program Framework.
- Mr. Henderson had the unique opportunity to review and analyze how DoD and Intelligence Community (IC) Agencies developed, implemented and managed their Insider Threat Programs, even before NITP was released. NITP requirements were built off of existing DoD and IC Agencies Insider Threat Program Frameworks.
- NISPOM Conforming Change 2 requirements are based off of National Insider Threat Policy (NITP) requirements
- Mr. Henderson utilized his extensive experience with the DoD ITCIG, to design and develop a comprehensive, structured and resourceful ITPD Training Course, that **meets and exceeds** NITP and NISPOM Conforming Change 2 requirements.

### **Past Performance**

- Insider Threat Defense Has Provided Insider Threat Program Development Training / Services To 200+ Organizations.
- Insider Threat Defense has provided our training to; U.S. Government Agencies, Defense Industrial Base (DIB) contractors, NCMS Members / Chapters, Defense Security Service, Critical Infrastructure Providers, Aviation / Airline Security Professionals, large and small businesses. ([ITD Clients](#))
- Individuals that have attended our training; Insider Threat Program Managers, Insider Threat Analysts, Insider Threat Support Personnel, Facilities Security Officers, Chief Security Officers, Human Resources-Personnel Security Specialists, Chief Information Officers, Information Technology (IT) / Network Administrators-Security Administrators, Chief Information Security Officers, Information Systems Security Managers / Officers, Information Assurance Managers, Contracting Officers and Legal / General Counsel.
